

METROLINK®

MULTI-LINE TICKETS AND RECIPROCAL STATION POLICY

Southern California Regional Rail Authority

Metrolink's tickets offer the flexibility to ride on parallel lines.

DIRECTIONS:

1. Find your station pair. This origin and destination become the boundaries of your trip.
2. Draw a straight line across to the other route.
3. The stations falling between your initial origin and destination boundaries are the ones you can travel to on the other line.

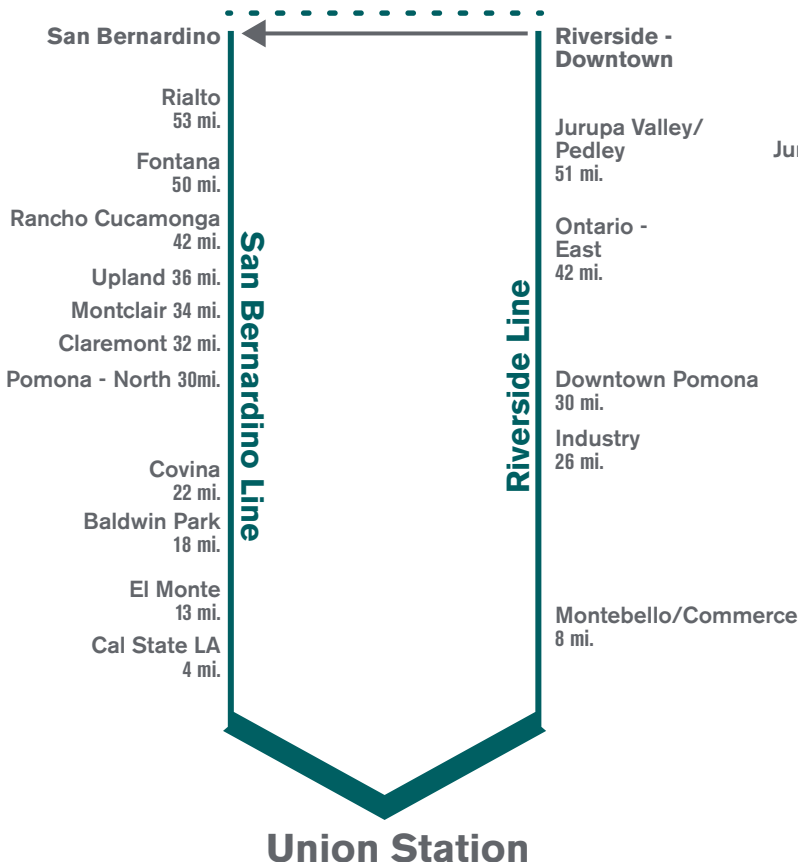

FOR EXAMPLE:

Tickets on the Riverside Line, the 91 Line or the IEOC Line are valid for travel between stations of equal or lesser distance on any of these routes if the origin or destination station is in Riverside County or San Bernardino County.

See diagram below.

Interchangeable Stations Riverside Line to San Bernardino

(San Bernardino Line tickets not valid on Riverside Line)

Interchangeable Stations 91/IEOC Riverside Lines

San Bernardino Line tickets not currently valid on any other lines due to current discount. Lines with a price discount cannot be interchanged on any lines.
